Don requests each officer submit their report in writing to him for inclusion in the minutes. He also reminded everyone that if they wanted any topics added to the preliminary meeting agenda they should send it to him before the next scheduled business meeting.

A motion to accept the treasurer's report was made by Garden State and seconded by Victory. ***Motion Passed***

Officers Reports

Presidents Report – Bill Cordes

I attended the 3-D championship both days and all seemed to have a good time. Heard many good comments about the fact that we are now using the NFAA 3-D rules.

I want to thank Doug for handling the opening ceremonies at the state outdoor championship and Garden State for hosting the shoot. I want to say that the paper work was deplorable causing confusion for the archers and our Ex. VP of Awards, as any one that was there on Sunday knows we had an embarrassing moment with awards because archers classes were not right and not on their score cards so as to be double checked. This is a recurring problem from this club and I feel that they should not be allowed to hold any champion shoot until they can get things on track. I don't understand why after all these years the same problems keep happening. If desk captions don't know the classes and styles they should have a tournament guide available or help from a knowledgeable officer of the club.

Executive VP- Art Reimer

The website is up and running for the most part. There have been some minor problems but I think we can work around them. As I receive the information it is put on the web, shoot results take time to collate and insure the data is correct, results are put together and then sent to me for posting. In the past the VP Field also managed the website which made the updates much more efficient; we no longer have that situation so please be a little patient.

At the July meeting we voted to have an SFAA sportswear as part of the web. Paul Winans mentioned that Black Knight uses a service named Twisted Stitches for their club clothing. I tried to contact them several times but have had little success so far. When I contact them and obtain the info I will bring it to the SFAA meeting for discussion.

I would like to update the club information that is now displayed on the web. In order to do this we need each club to send in who is their club secretary, BCR#1, and BCR#2.

VP Awards- Donna Denight

The 3D Un-Marked And Marked Plates/Awards along with the 2010 Outdoor Plates and Awards are here to be picked up.

What is not picked up – will be mailed Monday Sept 20, 2010 or there abouts.

3-D Patches:

Were Picked Up and on Hand at the Championship Shoot

NFAA Championship Patches:

Still need to order 50 Patches – had enough for the States.

STATE DECALS ARE HERE:

SOME ONE NEEDS TO TAKE RESPONSIBILITY – THEY ARE NOT AND WILL NOT BE PART ON AWARDS INVENTORY at this time.

VP Field Archery- Elmer McKishen

I shot at the 3-D championship at Cape May Archery and they have done a very fine job of getting the course ready from there recent flood and they had a very fine attendance at that shoot. At this time I would like to thank Cape May and Fletcher's Corner for hosting a very fine shoot.

I also attended the State outdoor Championship at Garden State they had very nice weather and had about 50 shooters had a few problems with people not putting there class on the applications. As soon as I get the results from VP Awards I will send them on to Art to be posted on the website. At this time I would like to thank Garden State for hosting a very nice championship shoot.

I have not been able to put the 2011 schedule because we have to vote on the indoor championship date because the date we voted on at the time is the same date as the Indoor National championship and depending on the outcome we may have to switch two clubs shoots around.

Also we have to vote on changing the verbiage on the guest class on our indoor and outdoor championship applications so that it states that the people who have a NFAA card but live out of the state of NJ can compete in a out of state guest class with only one award

After this meeting I will be e-mailing the host clubs of the indoor, outdoor and 3-d championship for there Chairman, address, and phone number to be put on the applications for 2011.

I still have enough score cards for the indoor championship for up coming year shoot at this time I don't know about the outdoor championship until I get back all the unused cards from Garden State when we use up all the old cards we will have to design a new card for the 14F, 14H, 14A.

I have one more issue which I have to bring up one of our clubs had a issue on a date for scheduled shoot which happened to be on Cape Mays exclusive shoot and I e-mailed them that they couldn't have that date but they could have the week before and I got a nasty gram from their her and President telling me if I hadn't changed the way the scheduling meeting. Was run this would not have happened and I didn't answer either e-

mail because I wasn't getting into an e-mail war like happened last year both of them sat at the scheduling meeting and didn't ask me any questions about anything concerning the scheduling meeting. Last year I wasn't at the scheduling meeting so I didn't even know how it was run because everything was handed to me in an envelope. I didn't appreciate the nasty grams.

Weekly Awards – Claire Reimer

Missing shoot reports and monies:

7-25-10—Garden State

8-15-10—Garden State

This was the first outdoor season that the new shooter logs for weekly shoots were to be used. There was a problem with this. The club tournament chairman may not have been aware of the change. Hopefully this will go smoother for the next season.

I hope the clubs will refer to the updated tournament guide for the upcoming indoor shoots. There are many awards that the archers are entitled to—such as Robin Hood awards for example.

Old Business

A short discussion began concerning WaXoBe's BCR. President Cordes will look into who is the authorized and current BCR for each club.

Black Knights pointed out that there is a conflict in the shoot schedule for next year. A motion was made by Black Knights seconded by Fletchers to switch or flop the State Indoor Championship by one weekend. *Motion Passed*

New Business

There was a general comment regarding changes to meeting dates and times. If needed any information of this type should be sent by the SFAA President or the secretary if instructed by the president.

Nominations for elections of officers for the 2011-2012 term.

President

Dover nominated Bill Cordes seconded by Cape May

Ex Vice President

Open
